May 14, 1771.

To be SOLD *in* MIDDLESEX,

A VALUABLE plantation, lying on *Rappahannock*, within two miles of *Urbanna*, and convenient to church and mill. There are on the said plantation, a good dwelling house, kitchen, quarter, &c. two large barns, upwards of a thousand bearing apple trees, and a larger quantity of peach trees, cherries, plumbs, &c. Also a tract of land in the said county, lying on *Dragon Swamp*, containing 100 acres, has on it a fine orchard, and a small meadow, which, with little trouble, might be made a very valuable place. Likewise a lot in *Urbanna*, very well situated for a store, or tradesman. I have another tract in *Culpeper*, which I would sell on 12 months credit. SIMON LAUGHLIN.

N. B. All persons indebted to the estate of *Thomas Laughlin*, deceased, are desired to pay off, in order to prevent suits; and those who have any demands against him, or self, are desired to bring them in

---

THE public will please to take notice that any sale made by Mr. *Henry Peyton* or Mr. *Cuthbert Bullitt*, of a certain tract of land on *Little River*, in *Fauquier*, consisting of about 2700 and some odd acres, will not pass or convey any right or title in the said land to the purchaser or purchasers, as the right to that land is certainly in the executors of Mr. *Allan Macrae*, deceased, by a patent which they obtained for the same from the proprietor's office: These are therefore to forewarn all persons from purchasing the said land from either the one or the other of the above named Gentlemen, without first applying to, and paying the consideration money to THOMAS LAWSON,
acting executor of *Allan Macrae*.

Cumberland county, *April* 16, 1771.

WHEREAS on the 15th day of *December* last, I bought a Negro girl named *Siller*, of a certain *John Arnold* of *Spotsylvania* county, for the sum of 52 l. 15 s. to be paid at a future day, and have been since informed that the said Negro is under an incumbrance, which I am rather inclined to believe, as *Arnold*, by earnest entreaty, prevailed on me to give my bond for the purchase money aforesaid, payable to Mr. *Samuel Temple*, alledging that he intended with that money to purchase a Negro boy of Mr. *Temple*, who would sooner take a bond payable to himself than an assigned one. I therefore request the favour of all persons who may claim title to, or interest in, the said Negro, to inform me of the same as soon as possible. All persons are cautioned against the said bond, ZACHARIAH HENDRICK.

MAY 4, 1771.

THE genteel contribution at *Hanover* court last, for the emolument of my wife and children, demands the greatest acknowledgment. I do therefore very sincerely return my most grateful thanks to my worthy benefactors, and inform them that the money raised was, by the trustees, laid out in the purchase of four of my negroes, and settled on my wife for her life, and after her death on our children.

HARRY TOMPKINS.

NORTHUMBERLAND county, *April* 27, 1771.

WHEREAS, in order to secure ourselves, we have been under the necessity of administring on the estate of *Thomas Derrick*, deceased, late of *Northumberland* county, and one article of the said estate is a valuable pilot boat, well fitted, with a suit of new sails, which boat we intended to have disposed of; but on the night before the appraisement, *John Derrick* and *Joseph Hague*, two white men, who sometimes went in the said boat, in the lifetime of *Thomas Derrick*, deceased, in a private and clandestine manner, took the said boat from the landing where she lay, with a design, as we have reason to believe, to dispose of her; we therefore give this public notice, that the aforesaid *John Derrick* and *Joseph Hague* have not the least right to the said boat; but that we are determined to take every method in our power to recover her from them, or any other person, who may unwarily purchase her.

JOHN LELAND.
WILLIAM BELL.

COMMITTED to the gaol of *Augusta* county, the 23d of this instant *April*, on suspicion of being a runaway, an *Irishman*, who calls himself *Matthew Thorpe*, and says he belongs to Mr. *Gilbert Campbell*, of *Hagerstown*, and his person appears to be agreeable to the same advertised by that Gentleman in Mr. *Rind's* Gazette of the 4th of *April*, except the finger, which he cannot shut close, being on his right hand instead of his left; but there were none of the silver spoons, nor other articles mentioned, found with him, except the grey coat, with silver gilt buttons. He rode, when taken up, a dark sorrel gelding, which appears to be somewhat *English* blooded, about 14 hands high, is supposed to be 9 years old, has a small star in his forehead, and appears to be shaved with harness, but hath no brand perceivable. The owner is desired to come and take him away, and pay charges. GEORGE MATTHEWS, Sheriff.

Imported in the Golden Fleece, *Capt.* Goosley *from* London,

A BOX directed on the top to the subscriber. It is supposed it was sent to *Petersburg* by mistake. Whoever will give information of the said box to *Thomas M. Randolph*, Esq; in *Goochland*, will greatly oblige JOHN ROGERS.

RUN away from *Morris Ramsay*, in *James City* county, some time in the year 1769, a mulatto fellow named MOSES, by trade a sawyer, the property of the subscriber; he is about 36 years of age, his face and apparel I cannot describe as he belonged to the estate of *Joseph Morton*, Gentleman, deceased, and never came to my possession after the division of the said estate. He has a wife named JOAN, the property of Mr. *William Morton*, that has been out with him almost the whole time, and therefore must necessarily suspect that they are harboured by some ill disposed person in or about *Williamsburg*. Whoever takes up the said fellow, and conveys him to me in *Richmond* county, shall receive a reward of SEVEN POUNDS, besides what the law allows; and as such notorious offences are not to be borne with any degree of patience, I will give a reward of TWENTY POUNDS to any person who will produce the head of the said fellow, severed from his body.
